Joseph Gillott 6 Points

The William Mitchell Mapping Pens are a brand of drawing pens. In various sizes, William Mitchell pens are used for sketching, mapping, writing and drawing. The pens are protected by a protective lacquer that can be immersed in water to remove. Mapping pens in size and shape are delicate, accurate lines. In a small tube it will not break. It needs a mapping pen holder. Mapping Dip Pen No. 850 (1 x pen holder) 2 x Mapping Dip Pen No. 850 (1 x pen holder) Mapping No.850 1 x pen holder Storage Box

SKU: WM 35816**Price:** \$11.43

Product Description

The William Mitchell specialised series of Joseph Gillott Mapping Pens are recognised as the world's leading brand of drawing pen. Available in three different sizes, William Mitchell fine artists' pens are ideal for sketching, mapping, cartooning, engraving, extra fine writing and drawing. William Mitchell nib points have a protective lacquer to prevent tarnishing. Briefly immerse the full pen point in boiling water before first use to remove. Mapping pens differ from other dip pens in size and shape. The nibs are extra fine for delicate, accurate lines. Because the base of the nib is a small tube it will not fit in a standard dip pen handle, it needs a mapping pen holder. **Contents Include** 6 x Mapping Dip Pen Nibs (only for use with a mapping holder) 2 x Mapping No.659 2 x Mapping No.2788 2 x Mapping No.850 1 x Mapping Nib Holder 1 x Cardboard Storage Box
