SKU: JAC JAB

Price: \$12.43

Product Description

Jacquard Airbrush Color meets the needs of artists like never before, raising the bar for quality, economy and versatility. Originally formulated for textiles, the exceptional durability, unsurpassed coverage and superb flexibility of Jacquard Airbrush Color has attracted artists of every ilk. The go-to paint for custom shoe and sneaker painting, it resists cracking, peeling and chipping better than any other brand. With excellent adhesion on many non-traditional surfaces such as vinyl, leather, plastic and rubber, these paints are also soft to the touch and exceptionally wash fast on fabric. Formulated for easy spraying right out of the bottle with no additives or adulteration required, these odorless, non-toxic and water-based fluid acrylic paints perform well even at low pressures, with minimal tip-dry and clogging.

Available in seven intermixable varieties: Transparent, Opaque, Metallic, Fluorescent, Bright, Iridescent, and eight ?Sneaker Series? colors. All the colors are highly pigmented and intense!

Jacquard iDye Poly For Synthetic Fibers 14gr

SKU: JAC JID

Price: \$9.32

Product Description

Dye Poly is virtually the only dye that will color polyester. In fact, it will color almost anything synthetic, including plastics and nylons, buttons, frisbee discs, Worbla & Thibra, 3D printed objects, toys, dolls, wigs, cleats, urethane coatings and more. The dye comes in a dissolvable packet, so there are never any messy powders to handle: simply drop the packet in a pot of water, add the fabric or objects and bring to a simmer.

An essential tool for cosplay artists!

FABRIC/FIBER/SURFACES polyester, nylon, poly/cotton blends*, plastics and more
