The curved spacebar along with easy-to-read keys provide a comfortable and familiar typing experience. **COMFORT FOR EITHER HAND** A full-sized, ambidextrous mouse delivers smooth tracking and a curved shape to support the palm, for easy and comfortable navigation. **EASY PLUG & PLAY** Both the keyboard and mouse work right out of the box. Just plug into the USB ports, and they're ready to go. No downloads, no setup, no fuss.

Logitech MK220 Wireless Keyboard and Mouse Combo

SKU: LO 267495

Price: \$30.00

Product Description

COMPACT AND WIRELESS Enjoy the freedom of wireless with this versatile combo. The compact keyboard is equipped with a number pad ideal for data entry, calculations and navigation, so you can get more work done in less space. The ambidextrous mouse delivers smooth tracking and scrolling, for easy navigation -at home or at work. **SPACE-SAVING KEYBOARD** With a compact design, this keyboard features all the keys you need, including a number pad while being smaller than a full-size keyboard. Perfect for tight workspaces, or smaller frames, so you can place your mouse closer for less reaching and better body posture. Plus, it's easy to move anywhere your work takes you. **PORTABLE, AMBIDEXTROUS MOUSE** This compact, portable mouse delivers smooth, accurate tracking, and line-by-line scrolling. The comfortable shape works for both left- and right-handed users, making it easy to use and take with you anywhere. **PLUG & PLAY SIMPLICITY** No setup or hassle. MK220 works as soon as you plug the receiver into a USB port. A strong, reliable wireless connection means you can forget about dropouts, with a 10 m range Wireless range may vary due to environmental and computing conditions. that gives you the wireless freedom you need. **QUALITY YOU CAN RELY ON** This combo is built with the same high quality standards that have made Logitech the global leader for mice and keyboards The keyboard is ready to withstand on-the-job use and mishaps thanks to the spill-resistant design. Tested under limited conditions (Maximum of 60 ml liquid spillage). do not immerse the keyboard in liquid. **BUILT TO KEEP GOING** Efficient power use means you can go 24 months for the keyboard and 12 months for the mouse without the hassle of changing batteries Keyboard and mouse battery life may vary based on user and computing conditions thanks to the power-saving technology.
