Product Description

Hahnemühle Mould-made Watercolour William Turner 300 gsm. 300 gsm - 100% rag - matt. This high quality, 100% cotton rag, mould-made watercolour board is natural white, acid free, lightfast and extremely age resistant. The Pads are glued and gauzed to ensure flatness when wet. All sheets contain the 'Cockerel' watermark and have genuine 4-sided deckle edges. The smooth, slightly irregular surface structure is ideal for professional artists. 'William Turner' is suitable for all wet painting techniques: watercolour, lavis, gouache, tempera and acrylic.
