

Rexel Auto+ 100X

The Rexel Auto+ 100X personal automatic feed shredder provides confidential security with effective 4x50mm cross cut shredding. Winner of the European Office Products Awards 2013 for Technology Product of the Year, with the Rexel Auto+ 100X you do not need to stand and feed it, or even remove staples or paper clips first. Load the A4 chamber with up to 100 sheets (80gsm) or 150 sheets (70gsm) of A4 paper for automatic shredding or shred up to 6 sheets (80gsm) through the manual feed slot. AC*2102559EU
