

LeFranc & Bourgeois Base Coat Varnish 75ML

SKU:

Price: \$8.00

Product Description

LeFranc Base Coat Varnish, 75ml

LeFranc base coat varnish seals and protects surfaces, giving them a **shinier finish** and protecting them from chemical damage and abrasion.

LeFranc base coat varnish does not increase the initial sheen of the gilding products, and should not be used on gilding wax. It should ideally be applied 72 hours after the gilding has dried.
