

MAIMERI IDEA ORO Sizing 125ml

SKU: MAIM 760

Price: \$11.29

Product Description

This is a specific compound for gilding based on gesso and rabbit glue. The Bologna gesso is an ultra-fine, impalpable powder that makes the impasto soft. Sizing is a fundamental step in gilding because it prepares a Bologna base suitable for applying the leaf. Ready to use. Apply warm after slightly heating it in a double boiler so it has the consistency of milk.
