

Sculpey Tools? Bead Making Kit - 10 pcs

Sculpey Tools? Bead Making Kit - 10 pcs This set provides all the essential tools needed to start making beautiful beads! It even comes with a bead making guide that will show you step by step how to make six types of popular beads. Kit includes:

- **Baking Cushion:** Reusable cushion perfect for baking beads to avoid distortion and shiny bottoms.
- **400/800 grit wet/dry sandpaper:** Creates a smooth finish to baked beads. Also can be used to texture unbaked clay.
- **Blade:** Makes clean, straight cuts and edges.
- **Circle Cutter:** Helps make the same size bead every time.
- **Needle Tool:** Used to pierce unbaked beads. Also good for texturing, fine detail and patterns.
- **Lentil Bead Tool:** Used to create lentil shaped beads.
- **Clay Roller:** Essential tool for rolling smooth, even sheets of clay.
- **Bead Making Guide:** Filled with bead making tips and step by step instructions for a variety of different style beads!
