

Daler Rowney Expression 10 Brush Zip Case

A selection of 10 Expression brushes featuring a premium synthetic blend of filaments, ideal for decorative and fine art techniques -Synthetic brush specifically designed for the needs of decorative painters. Expression features the original 'balanced handle' created by Robert Simmons. A remarkable blend of synthetic hair combining filaments of different thicknesses produces a more controlled spring and fine point. -The unique handle provides a comfortable grip and prevents fatigue through hours of painting. This feature particularly appeals to artists with arthritis and carpal tunnel syndrome. The complete range of brushes is designed to enable the artist to express themselves in any leisure or artistic activity; it can be used with all mediums, though it is especially ideal for water colour.
