Product Description

Dyeing has never been easier than with iDye from Jacquard! iDye comes in a dissolvable packet, so there are never any messy powders to handle: simply dissolve the packet in the dye bath or drop it in the washer, then add the fabric. iDye is a hot water dye that produces brilliant colors, with options for natural or synthetic fibers.

Dyeing solid, uniform colors has never been easier than with iDye for Natural Fabrics from Jacquard!

A hot water dye that produces brilliant colors on any natural fabric, iDye may be used on the stovetop or in the washing machine on the hottest cycle. Great for over-dyeing techniques and reviving faded garments!

FABRIC/FIBER/SURFACES cotton, linen, canvas, silk, rayon and more
