

SCULPEY CLAY EXTRUDER TOOL

SKU: SCULP ACG1

Price: \$34.41

Product Description

Whether you want to create small, unique shapes for a bracelet or make hair for a sculpture, our Sculpey Tools? Clay Extruder is the perfect tool. The polymer clay extruder is a stainless steel tool that you can use to manually mold your clay into something new. Create the pieces you need to finish your project by inserting your clay in the barrel and pressing the clay out ? it's a simple, easy way to get creative.

- 19 interchangeable discs
 - Great for making clovers, ropes, grass, hair and more!
 - Material die-cast steel
 - Easily disassembles for cleanup.
 - Clean up tip - bake the barrel at 250 ?F (121 ?C) for 15 minutes. Let cool, and then gently chip out any clay residue.
-
