**SKU:** SCULP AS2172

**Price:** \$20.20

### Product Description

This 3-piece mixing set is perfect for use with Liquid Sculpey and resin! The set includes:

- Oven Safe Silicone cup
  - 100 ml (3.4 oz)
  - Clear Silicone that allows you to see what you are mixing for even colors
  - Scale on outside of cup for easy measurements
  - Spout for easy pouring
  - High quality flexible silicone
  - Easy to clean ? bake the leftover Liquid Sculpey in the cup and it peels off the silicone easily
- Lid
  - Left over Liquid Sculpey can be kept for future projects ? keeps out dust and dirt
- Dual End Stir stick
  - Scoop end features flat sides and bottom for scraping both the sides and bottom of the cup when stirring ? key for resin use as well.? Also great for adding in glitter and mica ? no mess! Just scoop and add to the cup.
  - Pointed end is great for detail work and popping any bubbles
  - Stick fits into a 1 oz bottle of Liquid Sculpey for easy in bottle stirring
