

## SCULPEY CLAY SOFTENER & THINNER 30ML

**SKU:** SCULP ASSD

**Price:** \$9.43

### Product Description

Sculpey??Liquid Clay Thinner & Softener can be used for softening polymer clay and thinning? [Liquid Sculpey?](#). ? Just a few drops will make all the difference.

- Improves the texture of dry, crumbly clay, creating the perfect consistency. Add a few drops of this polymer clay softener into firm clay and thoroughly knead into the clay to make it soft and subtle.
  - Works great to thin out? [Liquid Sculpey?](#)?if it gets too thick. Simply add a few drops and gently stir.
  - Twist cap for precise flow control.
  - 1 fl oz
