

## **SCULPEY BAKE & BOND 59ML**

**SKU:** SCULP ABB02

**Price:** \$10.87

## **Product Description**

This bakeable adhesive clay forms an incredibly strong bond between two pieces of polymer clay.

- Adhere raw clay to raw clay; raw clay to baked clay and baked clay to baked clay.
- This bakeable clay adhesive can be used to adhere clay to porous materials such as wood or paper.
- Polymer Clay pieces can be joined together with little pressure to prevent distortion of shapes and fine details.
- Twist cap for precise flow control!
- Must be baked to cure
- 2 fl oz.
