Price: \$16.68

Product Description

These brushes come with short handles that means you can paint with precision, and the synthetic hair maintain their shape better than natural bristles. Synthetic Taklon Hair paint brushes are handmade with care using the finest materials to ensure no bristles are left behind to spoil your work. These brushes are easy to clean mixed synthetic hair possesses qualities that natural hair fails to compete with, it provides excellent shape retention and washes out easily. This set comes with a perfect protective case for transporting your art brushes to avoid damage, The paint brush holder also doubles up as a drying stand to air dry your brushes after cleaning. It can be also used as a gift for artists and kids.
