Price: \$8.21

Product Description

Diverse Stone Shapes: The Isomars Combination Stone Shapes Template offers a wide variety of stone shapes, including Trillions, Cut Triangles, Octagons, Hearts, Baguettes, Squares, Pears, Marquises, Ovals, and Circles. **Precision-Cut for Fine Details:** Crafted with utmost precision, this template ensures that every line and curve you draw is accurate and detailed. The fine, crisp edges of each stone shape allow you to create intricate and lifelike jewelry designs with ease. **Suitable for Technical and Pencil Drawing:** Whether you prefer technical drawings or freehand pencil sketches, this template caters to your creative style. Use it with a range of drawing tools, from fine-tipped pens to pencils, to translate your ideas onto paper effortlessly. **Highly Fragile Plastic:** The Isomars Jewelry Designing Template is constructed from high-quality plastic, ensuring durability and longevity. However, it's important to note that this template is highly fragile, so handle it with care to preserve its precision and extend its lifespan. **Product Specifications:**
