

ISOMARS Colouring Mixing Palette Small Flower

SKU: ISOM CM11

Price: \$0.71

Product Description

Flower Shape Design: The flower's petals serve as individual wells for your colors, allowing you to mix, experiment, and create intricate color palettes. **Generous Diameter:** Each palette has a generous diameter of 138mm, providing ample space for mixing colors without feeling restricted. This allows you to unleash your artistic imagination and bring your visions to life with ease.
