SKU: ECLEC 10174034

Price: \$18.85

Product Description

Amazing GOOP Marine has the same toughness, strength and versatility as our other GOOP products but is specially formulated to be UV resistant. Its perfect for outdoor applications on items that will be exposed to sunlight, water or extreme temperatures. Easily bonds to vinyl, rubber, metal, glass, wood and more!

- Strongest, most versatile adhesive available
- UV resistant resists yellowing and cracking
- Paintable once cured
- Use indoors or out
- Temperature resistant
- remains flexible, even in extreme temperatures
- Dries clear
- Abrasion resistant
- great for bonding items subject to vibration
- Waterproof
- bond remains secure even when exposed to water
