Price: \$22.18

Product Description

Cover your projects in a layer of protection and durability with the FolkArt Gloss Varnish. This durable varnish is non-yellowing and dries clear with a radiant, glossy finish that will give your hand-painted pieces longevity and durability to stand against wear and tear. This handy 8 oz bottle of gloss varnish is perfect for sealing and protecting projects of all sizes. Use on everything from furniture to canvas and everything in between! This water-based, non-toxic formula is the perfect varnish for acrylic paint to finish your artwork with a glossy sheen. Brush on in thin layers for easy control. Add this premium varnish to your collection as a finish to all your arts and crafts - great for indoor and outdoor projects! Use FolkArt Gloss Varnish on a variety of porous and non-porous surfaces such as wood, paper, canvas, paper mache, and so much more. Make the FolkArt Gloss Varnish a must-have addition to your craft supplies to seal and protect all your DIY creations.
